

*Southern California Edison*  
**Greenhouse Gas Emission Standards R.06-04-009**

**DATA REQUEST SET R.06-04-009 GHG-Workshop Homework Questions-01**

**To:** CEC

**Prepared by:**

**Title:**

**Dated:** 07/06/2006

---

**Question 001:**

The size of the potential IOU procurement needs that would be covered by an interim EPS. The IOUs and the CEC are working on a common format for this information and will be providing the format to staff by July 7. By July 11, both redacted (public) and unredacted versions of this information will be provided to staff. The intent is to provide to the service list as much publically available data on this topic as possible.

**Response to Question 001:**

The attached spreadsheet, in the format submitted on July 7th, summarizes the requested information.
